

Museum of Nebraska Art School Learning Day Grant Form

Thanks to special funds established by The Arram Family Foundation, financial assistance is available for School Learning Days. The amount granted covers the cost, from \$50 to \$125.

During a Learning Day, students participate in an hour-long interactive tour and an hour-long studio art activity. A third optional creative writing activity would add an additional 30 minutes.

Please complete this form a minimum of **three weeks** prior to planned Learning Day, and return with Learning Day registration form to: Museum of Nebraska Art, Director of Education, 2401 Central Avenue, Kearney, NE 68847.
