

# KENT BELLOWS AND HIS COLLECTORS

August 25, 2018 – January 6, 2019

The artworks of Kent Bellows are often explorations into the human nature of those around him and of himself, thereby giving an intimate glimpse into his subject's lives. His obsessive attention to detail and hyperrealism style effortlessly invite viewers into his artistic world.

Loaned from Bellows' collectors, the works are from people he knew – and who knew him well.
