

MONA / 2023

MUSEUM OF NEBRASKA ART

Summer is officially here, and things are looking “up” as we await the arrival, and installation of the mass timbers for the expansion marking a major milestone in the project.

MONA’s also gearing up to celebrate Kearney’s 150th birthday! We are joining in the Sesquicentennial festivities by hosting a one-day community mural project. We’ve enlisted the help of muralist David Manzanares, an Oaxacan indigenous artist who currently resides in Omaha. Since 2014, his work has been enriching public spaces and communities with murals about individual and collective identities, the human experience, and migration. Manzanares’ goal for the project is to celebrate the Kearney community and inspire a sense of belonging for all.

This Saturday, June 24th, community members of all ages are invited to participate in creating a temporary mural to add art to MONA’s construction fence line at the corner of Central Avenue and 24th Street. Come join in the fun and take a peek at all that is going on inside and outside the fence!

Saturday, June 24

11:00 a.m.-2:00 p.m. | 3:00-5:00 p.m.

*If you would like to participate, please dress accordingly.
